## Workshop 'Menu'

### Standard Service Charges

#### **Rotary Mowers**

Major Service for pedestrian mowers:

Push and Hover – from £60.00

Self Propelled – £85.00

*(Excluding Parts and V.A.T.)*

Please Note: there are lots of smaller tasks we can also carry out for you: i.e. rewind starter rebuilds and cheap “just get the mower going” jobs. These activities are charged for on an individual basis. Prices start at £15.00 + V.A.T.

*We are here to help, just ask any member of staff.*

#### **Cylinder Mowers**

Up to 14” Cylinder Length £65.00

Up to 20” Cylinder Length £85.00

*(Excluding parts and V.A.T.)*

This does not include sharpening.  
Please ask for a separate quote.

#### **Electric Mowers**

Push and Hover – £30.00

Self Propelled – £50.00

*(Excluding parts and V.A.T.)*

#### **All Small 2 Strokes**

Service – £50.00

*(Excluding parts and V.A.T.)*

### Sharpening Only

Chainsaw – chain only – from £4.50

Chainsaw – chain on saw\* – from £8.00

*\*Price includes, finish bar, check sprocket, rebuild saw, run up and test*

Cylinder & Bottom Blade – £2.50 per inch

Rotary Blade & Balancing – £4.50

Garden Shears – £8.00

*(All prices exclude V.A.T.)*

### Estimates and Collection Charges

All estimates carried out by us are charged at £ 10.00 plus V.A.T. This charge is payable in advance and will only be refunded if the work is carried out by us.

Transport charges apply, please ask us for details

*This Price List is dated January 2014 and supersedes all previous lists.*
