Standard Service Charges

Rotary Mowers

Service for pedestrian mowers:

Push and Hover – From £60.00

Self Propelled – From £85.00

(Excluding Parts and V.A.T.)

Please Note: there are lots of smaller tasks we can also carry out for you: i.e. rewind starter rebuilds and cheap “just get the mower going” jobs. These activities are charged for on an individual basis. Prices start at £10.00 + V.A.T.

We are here to help, just ask any member of staff.

Cylinder Mowers

Up to 14” Cylinder Length £65.00

Up to 20” Cylinder Length £85.00

(Excluding parts and V.A.T.)

Ride on Mower/Tractor

These will be assessed on an individual basis

This does not include sharpening.
Please ask for a separate quote.

Electric Mowers

Push and Hover – From £30.00

(Excluding parts and V.A.T.)

All Small 2 Strokes

Service – From £50.00

(Excluding parts and V.A.T.)

Sharpening Only

Chainsaw – chain only – Short: £5.00

Long: £8.00

Chainsaw – chain on saw* – From £8.00

Cylinder & Bottom Blade – £2.50 per inch

Rotary Blade & Balancing – £4.50

(All prices exclude V.A.T.)

Estimates and Collection Charges

All estimates carried out by us are charged at £ 10.00 plus V.A.T. This charge is payable in advance and will only be refunded if the work is carried out by us.

Transport charges apply, please ask us for details

This Price List is dated January 2019 and supersedes all previous lists.
